Counseling Center

- ❖ **Students are looking for the fastest and most affordable path to a degree**
- ❖ **The Counseling Center helps direct students to the most cost effective and quickest path to degree completion**
- ❖ **Credit by Exam prep resources also cut costs and accelerate degree completion**

Delivering Collaborative Academic Solutions

Counseling Center

The National Education Alliance Counseling Center guides students to degree completion while saving them time and money.

This support allows students to explore how the college credit they have earned in the past could apply to the degrees of hundreds of colleges and universities across the nation.

Delivering Collaborative Academic Solutions

Counseling Center

Transfer Options:

- ◉ College credit for nationally-recognized college credit-by-examination programs, including **CLEP**, **DSST**, and **ECE** - Excelsior College examinations.
- ◉ College credit for military training and experiences, as more than 35,000 courses taught to military members have been evaluated for college credit in the past.
- ◉ College credit for professional training at corporations and government agencies, as more than a thousand organizations have had their professional training evaluated for college credit in the past.
- ◉ College credit for professional licenses and certifications, such as computer certifications, LPN/LVN licenses, CNA certification, and more.

Counseling Center

We empower students to compare before they commit to a particular college or university ...

- ✿ We have nearly every SOC-AD Network College in our Degree Mapping system ready to support soldiers.
- ✿ Database includes 300+ colleges/universities and 5,000+ degree programs.
- ✿ Our goal is not to provide students with a single degree plan, but to use the state-of-the-art system and processes to systematically identify other degrees that allow optimal placement of the credit previously earned and align with the desires of students.
